- Pray for healing for my mom who was in a car accident. Pray for a teaching job for me that I applied for at Waverly.
- Pray for me that I will start praying again, and that my words will be positive and uplifting rather than argumentative and spiteful. My voice starts fights in my family, I am the first born, my parents respect me, my siblings look up to me, so my cross speech is negatively affecting everyone in my family. Please pray for me.

- A friend of mine is going to be getting laid-off in March, for the second time in two years. Last time it lasted almost a year and a half. He has a wife and two small kids. Pray that they can keep food on the table, their home, and make it through this tough time.
